

DOG LICENSE APPLICATION FORM

Except as provided in s. 174.054, the owner of a dog more than 5 months of age on January 1 of any year, or 5 months of age within the license year, shall annually, or on or before the date the dog becomes 5 months of age, pay the dog license tax and obtain a license by March 31st. The license tag must be firmly attached to the dog's collar.

Please send in the form below showing all dogs to be licensed, a copy of the rabies certificate (not the receipt showing you paid for the vaccination) and the payment made out to "Town of Lyndon". Town Hall hours are posted on the front of the town hall building and listed on the website. You may also send your registration via mail or leave it in our secure drop box provided you include a self-addressed stamped envelope so that we can send you the tag. Additional registration forms are available on-line. ***If paying after April 1st, there is an additional \$15 late fee added to the base fee for each dog.***

Why do you need a copy of the rabies certificate every year?

This is the best way to make owners and the township aware that the rabies is still valid or if it is need of re-vaccination. Furthermore, last year's copy has been filed away and is not readily available.
